

Dear Neighbor:

We are your local Random Lake/Adell United Fund, a group of neighbors helping neighbors collect contributions so that local needs may be addressed. When we organized in 1978, volunteers went door to door asking for contributions. Now requests are conducted solely by this mail campaign.

Contributions may be mailed or dropped off in the lobbies of our three local banks and savings institutions. **Also for those who contribute to an employee's United Way payroll deduction plan, you can direct your money to be sent to us. You must stipulate that it be sent to:** The Greater Random Lake/Adell United Fund, P.O. Box 91, Random Lake, WI 53075. About one quarter of our funds are received in this manner.

It should be pointed out that we have no paid employees nor do we pay any dues to any organization, our only expenses occurred are for printing and postage. Less than 4 cents of every dollar received is used as campaign costs.

Consider this plan now and think of the importance of each local agency listed here, your money stays and helps enrich the lives of all of us in southern Sheboygan County.

More information can be found on the internet by looking up Random Lake Area Chamber of Commerce and click on community interests/organizations.

Sincerely,

Hope Lewitzke, President
920-994-2009

Jim Thiel, Vice President
Milda Zuengler, Secretary
Diane Block, Treasurer
